

NEVER ENDING GIFTS!

The greatest concern I receive from people is that they struggle sponsoring others into a program they've joined. Once you read what I have to share with you, this problem will disappear for everyone forever!

ID# 12

THIS IS HOW!

Return this completed circular, \$20.00 and 7 F/C stamps. For your entry fee you'll be entered into a 7 level gifting matrix through which you'll receive \$2 gifts through all levels. All that will ever be required of you thereafter is to get just 1 person to join us. If you'll do that your money concerns will end, I promise.

HERE'S HOW!

"EVERYTIME" your ID# reaches levels 4, 5, 6, and 7 you will be reentered into the program automatically through all 4 levels. Each reentry saves you \$20 and allows me to keep the low cost of the program within everyone's reach.

- 1.) _____ It also guarantees your ID# will never be eliminated from any circular on which it is. **THIS IS A HUGE BENEFIT TO YOU.** As the program develops the multiplying effect of your 4 reentries will absolutely astound you by the number of cash gifts I'll be sending you.
